

BUSINESS ADMINISTRATION B.S. + ACCELERATED PROGRAM IN SUPPLY CHAIN MANAGEMENT M.S.

Utilize leading edge software to integrate business fundamentals, enhance business intelligence, and realize strategic solutions through analysis for any supply chain or organization.

PROGRAM HIGHLIGHTS

ACCELERATED PROGRAM

This individualized accelerated program allows undergraduates to earn their Bachelor of Science in a business related field and Master of Science in Supply Chain Management in as little as 5 years!

EXPERT FACULTY

Small classes taught by experienced faculty give you opportunities to interact with experts who hold perfect order skills to implement logistics, distribution, and procurement when applying for jobs.

ELIGIBILITY

Admitted Juniors (60+ credits) with a GPA of 3.0 and above are eligible to apply. Take up to three master's level courses during undergraduate study to count for both undergraduate & graduate degrees!

CAREER OUTLOOK

You'll graduate with the skills you need to be successful as a:

- Procurement Officer or Manager
- Supply Chain Management Professional
- Project Manager and Business Analyst
- Operation Manager
- International Logistics Manager
