

Associate-to-Bachelor's (ATB) Degree Completion Option – ATB 1.0: Carroll Community College & Towson University

General Information for the Primarily Online/Hybrid Model

I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the Carroll Community College (CCC) Nursing Program. Ad.1 (r)0t2

Admission Decisions

The CCC and TU Nursing Departments will review completed applications for acceptance into the ATB option. Students will be notified by either email and/or letter with admission decision. TU will only release admission decisions once CCC has released their decisions. Students who do not receive admission to the CCC program will not receive a decision from TU.

IV. Tuition, Fees, and Financial Aid

Students will be charged tuition and fees based on the policies of each institution. Tuition and fees are subject to change each academic year. If students are using financial aid, it will be processed through the TU Financial Aid Office based on the total enrollment at both institutions. For the purposes of tuition and financial aid, students must be aware that the ATB plan of study involves part-time enrollment (less than 12 credits) for the majority of the program.

Carroll Community College - Towson University ATB Nursing Plan of Study

Fall ATB Start

Disclaimer: Faculty at both Carroll CC and TU reserve the right to update curriculum plans in response to criteria set forth by accreditation bodies, best practices in nursing education, and the evolving needs of the health care system. The TU plan of study may be adjusted based on course availability and student enrollment needs.

Course Format Key

The letter behind a course title indicates that it can be offered in that format. Listing of multiple formats is not a guarantee that all formats will be available in a given term. Course format availability may vary depending on department resources and student enrollment needs.

Face-to-Face (F) = 50% or more of the classroom activities are completed in an in-person classroom setting

Hybrid (H) = 50% or more of classroom activities are completed in an online setting

Online (O) = all class activities are completed in the online format
