

The Kahlert Foundation Scholarship for Towson UTeach (Incoming Freshmen) supports the academic achievement of Maryland high school students who enroll at Towson University to study within the Towson UTeach Program in pursuit of a teaching certification in secondary school (grades 7-12) science, mathematics, or computer science.

The total award amount is \$12,000. Scholarship recipients receive a \$3,000 award during their initial year at Towson University. The award can be renewed second, third, and fourth years at Towson University provided the student is in good academic standing; has maintained a cumulative grade point average of at least 3.00; and has continued to successfully complete appropriate coursework toward the completion of their major within the Towson UTeach Program (the secondary education concentration within either the mathematics, computer and mathematical sciences, biology, chemistry, earth-space science, or physics major).

## Student must

- be a Maryland resident
- o have a cumulative high school grade point average of at least 3.25 (unweighted)
- matriculate to Towson University (TU)
  maintain status as a full-time TU student (at least 12 credits)
  declare a major aligned with the Towson UTeach Program (the secondary
  education concentration of the mathematics, computer and mathematical
  sciences, biology, chemistry, earth-space science, or physics major)

Preference will be given to a student who is the child or grandchild of an existing or former Evapco employee who is or was an employee for no less than one year. It is incumbent on the applicant to provide documentation of his/her relationship to a present or past Evapco employee by furnishing a letter on Evapco stationery, signed by an appropriate  $\infty$ 

The deadline to apply for a Kahlert Foundation Scholarship for Towson UTeach (Incoming Freshmen) for priority consideration is December 1st. Applications received after that date will be considered on a rolling basis.
