

Office 365

Office 365 is a set of cloud-hosted and office suite applications that allows you to work anywhere using your favorite device. Whether you are at the office, at home, or traveling, you can create and edit documents or collaborate with others.

Highlights of Office 365

Download full Microsoft Suite on up to 5 personal devices for free

Email allows for 50GB of storage

One Drive offers 1TB storage capacity

To access Office 365

1. From your browser, type <http://office.towson.edu>
2. Login with your TU NetID and Password.

Web Conferencing

TU offers two web conferencing options. The first is a free service provided by Microsoft. The second is a paid service provided by Cisco. Both services allow you to host a meeting with up to 25 participants. The free service is available to all TU faculty and staff. The paid service is available to all TU faculty and staff who have a valid NetID and Password. For more information, please contact the IT Helpdesk at (410) 550-4444 or visit our website at www.towson.edu/it.
